Why do we fundraise?

Fundraising pays for many of the activities that are available to all our cadets, such as:

- Field trips above and beyond our regular training outings
- Equipment for Band or Pipes and Drums
- Equipment for sports teams
- Special events such as the welcome-back barbeque, holiday parties
- End-of-year banquet and awards night
- Additional activities, supplies and as such

Your participation is essential in order for us to continue to offer all the wonderful "extras" that gives our cadets so much more than the regular training program!
