FALL FIELD TRAINING EXERCISE (FTX) 2017

Dear Parents / Guardians,

The cadets of 803 Squadron will be participating in a weekend Field Training Exercise (FTX) at Domaine le Corral, 1259 6e Rang Ouest, Trois-Rivières Qc G9B 6A4. In order to complement training received on our regular training nights, it is mandatory that each cadet attend at least 1 of the 2 FTX's held by the squadron. It is recommended to attend both, as the fall FTX is oriented more towards leadership and physical fitness, while the spring FTX focuses on survival training.

This fall FTX will take place on **October 6-7-8 2017**.

Cadets are to arrive at the squadron at **18h00 on October 6th** for kit inspection. Cadets will return to the squadron around 16h00 on Sunday, October 8th. We would ask that you respect the timings to facilitate the success of our activity. Attached is a cadet individual equipment checklist indicating the required kit. The items listed under mandatory must be brought with the cadet. Please ensure that cadets have appropriate outdoor clothing and footwear (boots), as the entire exercise will be outdoors. **Cadets will be returned home if they are missing mandatory items.** If your child is missing any of the mandatory equipment, please advise us in advance so that arrangements can be made. If a cadet must be returned home for disciplinary or other reasons, it will be the responsibility of the parent/guardian to retrieve them. Meals will be provided to the cadets. This event is free of charge, which is a reminder of how crucial it is for cadets to participate in the Squadron's fundraising campaigns. Fundraising enables the cadets to benefit from activities like this fall FTX.

Cadets can direct their questions to the cadets in charge of this activity.

Cadets must complete the permission slip below and bring it in NO LATER THAN October 3rd. Cadets submitting their form after that date will not participate in the activity.

ALONE YOU ADVANCE, TOGETHER WE PROGRESS

P. W. Senneville

Captain
Commanding Officer 803 North Shore Sabre squadron

803 SQUADRON SPRING FTX PERMISSION SLIP

Cadet Rank & Name: _____

Food Restrictions (vegetarian?): _____

Medical Condition: _____
